Title	Gray line below Saloons and SUV tabs
Description	When the Saloons tab is selected, a gray line is shown below Saloons and SUVs tabs, like an underline. There's a blue line/selection feedback under Saloons and seems correct, the gray line doesn't seem to match the app identity and beside underlining 2 tabs, it's inside the tabs bar limits. Observe the gray and blue lines under Saloons. Not sure if it's a line or part of scrolled content but design wise is weird because it's inside the tabs bar limits. **Steps:** 1- Open Test Drive booking 2- Select Saloons tab **Obs:** Screenshot #1
Severity	3- Normal

Title	Saloons title is repeating the tab name
Description	When the Saloons tab is selected, Saloons title is shown below the tab and above the Saloons list. It takes space from the list and doesn't seem useful, please confirm with the design/design team. **Steps:** 1- Open Test Drive booking 2- Select Saloons **Obs:** Screenshot #1
Severity	4- Low

Title	"Showrooms found" total doesn't match the values shown in the map
Description	The value in the string "**221** Mercedes-Benz showrooms have been found" doesn't match the values shown in the map "**116**". Observe that counting the number of showrooms shown in the circles in the map, the value is different from the announced value in the string above the map. At this point, the string is showing **221** and after counting the values in the map, I got **116**. **Steps:** 1- Open Test Drive booking 2- choose United Kingdom 3- choose a model **Obs:** Screenshot #2
Severity	2 - Major

Title	Phase feedback is missing at the top of Request saloon screen
Description	"Request Saloon" screen is missing the flow phase indicator at the top of the screen. 　　-　　The divider is present but the phase indicator is missing. 　　-　　There's a close button (X) which isn't shown anywhere else in this feature. The phase feedback should be added and the close (X) button should be removed. **Steps:** 1- Open Test Drive booking 2- choose United Kingdom 3- select a showroom (i.e. Newcastle) 4- tap Request a test drive CTA **Obs:** Screenshot #5
Severity	2- Major

Title	Test drive booking feature screens appearance is not consistent
Description	Screen appearance is not consistent through the app. Please observe that: - screenshot 2 shows an upper black part and goes white until the bottom (seems to be a modal). - screenshot 3 is shown full screen. - Screenshot 4 shows a header and footer black parts, which seems like a popup. - Screenshot 5 is fullscreen. - screenshot 6 shows a top bar/menu and goes white until the bottom. All screens should be reviewed and their designs checked to make them match. **Steps:** 1- Open Test Drive booking 2- choose United Kingdom 3- select a showroom (i.e. Newcastle) 4- tap Request a test drive CTA 5- define date and contact period 6- tap Request a test drive CTA **Obs:** All screenshots differ so I don't know which setup should be used. Design should be checked/discussed.
Severity	2- Major

Search a vehicle feature bug report

Title	Show Available Vehicles CTA showing wrong value
Description	At screenshot #2 we can observe that the filter list popup starts lower than vehicle type list popup in screenshot #3. Filter popup should be shown upper in the screen to prevent undesirable jumps/flickers in the screen when entering/exiting child menus. **Steps:** 1- Navigate to the search page; 2- Filter vehicles by vehicle type –EQB; **Obs:** Screenshot #2
Severity	2- Major
